Application No. 10/054,083

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received at the Board of Patent Appeals and Interferences on August 3, 2005. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below:

Appellants filed an Information Disclosure Statement (IDS) on September 8, 2003. It is not clear from the record whether the examiner considered the statement submitted in this application or whether the examiner notified appellants of why their submission did not meet the criteria set forth in 37 CFR §§ 1.97 and 1.98.

Accordingly, it is

ORDERED that the application is returned to the examiner for

- (1) proper consideration of the IDS filed September 8, 2003,
- (2) notification to appellant in writing of such consideration, and
- (3) for such further action as may be appropriate.
